

# My Mother Is as Beautiful as a Rainbow

My mother reminds me of the red in the roses in her garden.

My mother reminds me of the orange juice she gives me for breakfast each day.

My mother reminds me of her smile that is as bright as the yellow sun.

My mother reminds me of the green mints that she gives me.

My mother reminds me of blue because her beautiful eyes are blue.

My mother reminds me of the purple in her favorite purple dress.

Your mother is as beautiful as a rainbow.  
Color the rainbow below and write about the colors of your mother.
