The Education Welfare Act, 2000 [Section 19 (1)] requires that a Board of Management shall not refuse to admit a child except where such refusal is in accordance with the school’s Admission Policy. Section 19 (2) requires that parents must provide relevant information to the school while Section 19 (3) requires that the Board of Management, shall as soon as possible (but no later than 21 days) after receiving such information “make a decision in respect of the application concerned and inform the parent in writing thereof”

The school supports the principle of equality for all students regarding access to and participation in the school. The school respects the diversity of traditions, values, beliefs, languages and ways of life in society. The school acknowledges the right of parents to send their children to a school of the parent’s choice, subject to the resources available to the school including classroom accommodation, class size, teaching resources and financial resources and subject to the capacity of the school to provide for the needs of any applicant or student. It will make every effort to

secure those resources – where the resources cannot be secured the school may refuse admission. The school is staffed in accordance with the standard pupil – teacher ratios sanctioned by the Department and any additional teaching hours sanctioned by the Department in respect of curricular concessions, special needs, special programmes etc. The school operates within the regulations laid down by the Department from time to time.

The capacity of the school to implement its desired curriculum, its broad range of educational programmes, its breadth of extra-curricular activities, its school plan and policies are dependent on the resources it receives. ## **Policy Considerations**

The Board of Management of St. Joseph's Primary School reserves the right of admission if such admissions contravene Departmental guidelines on class size, etc.

The school will not refuse a child on the basis of ethnicity, special education needs, disability, traveller status, refugee status, political or religious beliefs, family or social circumstances.

The school will maintain a list of refused applicants for each class, their place on that list having been determined under the criteria outlined.

The Board of Management respects parental choice in relation to enrolment, provided the enrolment criteria are fulfilled.

The Board of Management of St. Joseph's Primary School in its Policy of Admissions/Enrolment, respects the rights of the existing school community and the children already enrolled. Consequently, the Board of Management reserves the right to determine the maximum number of children in each class, bearing in mind:

- Health & Safety Concerns regarding Staff and Children
- Available classroom space

- Multi-grade classes
- Educational needs of the children
- Presence of children with special needs
- Department of Education & Science class size directives
- Appropriate Supports and Resources are available
- Time of school year

## **Procedures – Application, Enrolment Criteria & Decision / Appeals**

- Failure to fully complete forms may result in refusal to admit a student.
- Further relevant information may be sought at a later stage
- In applying the criteria for enrolment, the school will take into account Gender Balance Male / Female and limitations in the size of classes

Admission to the school is, of course, subject to the resources available to the school including classroom accommodation, class size, teaching resources and financial resources, and subject to the capacity of the school to provide for the needs of those who apply for admission. Where the school lacks the necessary resources to meet the needs of any applicant or student, it will make every effort to secure those resources where the resources cannot be secured, the school reserves the unfettered right to refuse admission. It is the responsibility of parents / guardians of any child to inform the school of any such needs on the enrolment application form for the child's own welfare. In this context the school authorities will have equal regard for the welfare of all the students and their right to an education in an atmosphere that is not detrimental to their physical, emotional, moral, social or intellectual development. Failure to fully complete the application form, failure to supply any relevant information requested by the school or failure to make reasonable arrangements to meet with the school authorities to discuss the application may result in a child being refused admission to the school.

## **Application for immediate admission in the current school year**

- Application forms are available from the school secretary
- Failure to fully complete forms will result in refusal to admit the applicant
- The behaviour record of a student in their previous school shall be considered
- The attendance record of a student in their previous school shall be considered

## **Junior Infant Enrolment Procedure**

The registration process is initiated on receipt by the school of a completed application form. This form must be signed and dated by one or both parents or guardians. This application will then be placed on file. Telephone calls or personal school visits concerning enrolment will be facilitated, but are not in themselves enrolment applications.

Entry in the School Record of Applications means that an application will be considered in early March of the relevant enrolment year, and will be evaluated on the basis of the criteria outlined in this policy.

Following this evaluation, the Principal will make a recommendation to the Board, listing proposed enrolments for the forthcoming year. Once an enrolment list is approved by the Board, all applicants will be notified in writing of the outcome, and if refused admission will be notified of their entitlement to appeal under Section 29 of the Education Act 1998.

During the month of February, an Open Day will be held, where parents and incoming students are invited to attend. This is followed by an information evening for parents after Easter. New Junior Infants are then invited for 3 visits during May and June for the duration of an hour where they get to meet their teacher for the coming year & become familiar with their classroom & new school surroundings.

### **Junior Infant Enrolment Criteria**

If the number of children on the Waiting List exceeds the number of places available, the following prioritising criteria are used:

<b>Priority</b>	<b>Criterion</b>
<b>1</b>	Priority is given to brothers and sisters of children already in the school or who have attended the school in the past. If the class is over subscribed on the basis of this criterion, then places will be allocated on the basis of age, starting with the oldest applicant, until all places are allocated.
<b>2</b>	Families whose primary residence is either (a) in the immediate areas of Macroom Parish, starting closest to the school and radiating outwards from the school within the Parish or (b) in Macroom Parish within a 2 mile distance by road from the school. If the class is oversubscribed within the application of this particular criterion, then the furthest from the school under either (a) or (b) will be eliminated first.
<b>3</b>	Children of current teaching staff.
<b>4</b>	Children of parents who are past pupils of the school. If the class is oversubscribed within the application of this particular criterion, then those whose primary residence is furthest from the school will be eliminated first.

<b>5</b>	If space is still available, class numbers are completed from the Waiting List, which is compiled and ordered according to the date of the original application. The criteria are listed in order of priority when spaces are allocated under criterion 1 and space is still available, then criterion 2 comes into play and so on. This prioritization proceeds until all places have been allocated.

### **Criteria for Enrolment to SI to 6<sup>m</sup> Classes**

<b>Priority</b>	<b>Criterion</b>
1	Priority is given to brothers and sisters of children already in the school or who have attended the school in the past.
2	Families whose primary residence is either (a) in the immediate school areas of Macroom Parish, starting closest to the school and radiating outwards from the school within the Parish or (b) in Macroom Parish within a 2 mile distance by road from the school, or who are in the process of moving to either of these areas.
